

Bere Regis Chapel June/July Update

**Morning
Service
10.30am
every Sunday**

Welcome to our June/July update. We have had a blessed past few months with excellent speakers who have challenged and encouraged us. Ahead we have Truth 4 Youth at the end of August and we value everyone's prayers for that. Search the Scriptures continues to be a great time of encouragement for all our young people. Having studied the Firm Foundations overview of the Bible we are now studying Acts and have recently bought the Romans and Ephesians study guides. Please let any young people you know who may be interested that they are very welcome to join us.

**Myra's Wells vision is to provide clean water in
Burkina Faso.**

Burkina Faso is one of the poorest countries in West Africa. A few places do have mains water, but even that supply can be dirty and unreliable. Many villages have open wells. They are almost always dirty and dry up within very few months of the rains finishing. Contaminated water leads to disease and may also lead to death, often the death of babies and young children.

So that is why Myra's Wells vision is to provide clean water in Burkina Faso. A drilled well – at least 50 metres (165 feet) deep – can provide pure water for upwards of 2000 people, for drinking, cooking, and washing. It will also provide proper supplies of water for horticulture and livestock. Healthy livestock also contributes to the health of the people.

The provision of wells helps pastors of churches to tell the people of God's love. It helps headteachers to open schools and extend existing ones – you can't run a school without a water supply.

Wells drilled by Myra's Wells are cared for by local people and are freely available for all to use, regardless of background.

We look forward to hearing more about this work and from God's Word when Eddie Martin joins us on 9th July.
